

WELCOME TO NOMAD NOW

TERMS & CONDITIONS

BACKGROUND

WHAT IS NOMAD NOW?

Nomad Now is a web-based platform created to suit a whole new way of interacting between sellers of Professional Services (Freelancers, Independent Contractors or Consultants) and buyers of these Services (Clients). In these Terms & Conditions we shall use the terms Freelancer, Independent Contractor and Consultant interchangeably.

In the Nomad Now platform, Clients search, select and analyze Freelancer profiles and make approaches to preferred Freelancers to buy Freelancer Services to fulfill Client needs in roles or projects.

Freelancers on Nomad Now set their own prices for their Professional Services. Clients search using Nomad Now's predictive and powerful search and choice of filters.

Our Freelancers and Clients agree online on the contractual terms relating to when, where and how the Freelancer's specialist Services will be made available to the Client. Our Freelancers and Clients do so, on an arms-length 'service provider-to-customer' basis. Nomad Now is not a party to such Transactions or Orders.

WHY NOMAD NOW?

Our advanced search algorithms ensure that Client search results are personalised and unique for every client. Clients can customise profiles of their ideal Freelancers by changing our applicable search criteria weightings. If two Clients choose to keep the default Admin provided weightings, they will have the same results but should one of the clients choose to customise their search criteria weightings themselves (this is optional) we will apply the client provided weightings to rank the search results.

Clients using Nomad Now have a need for critical on-demand skills that are often required at short notice. We enable Clients to access skills quickly, predictably and very cost effectively.

Clients value our deep knowledge of specialist recruitment and our access to Paton Personnel's extensive networks built up over 20 years.

Freelancers benefit from Nomad Now's revenue admin and collection assistance. Freelancers have traditionally struggled with Clients that may pay late or even never, despite repeated requests for payment for their Freelancer Services. *'It's your business!'*TM

Nomad Now is not a jobs platform.

Professional, independent Freelancers using Nomad Now want the flexibility, freedom and diversity that the defined-period-and-purpose provision of their services provides. *Work. Your way*TM

Freelancers appreciate that the Nomad Now platform is an integral tool that can assist Freelancers' efforts as a sole proprietorship or small business. We create a platform for Clients to search for and buy Freelancer's Services, increasing Freelancer visibility to top companies who have demand for Professional Services provided by Freelancers. Importantly, our assistance in revenue collection for Freelancers can improve Freelancer's revenue collection times and reliability of payment.

NOMAD NOW BENEFITS TO CLIENTS:

DEFINITIONS RELATING TO FREELANCING & CONTRACTING

Note that throughout our platform we use the words 'Freelancer' and 'Independent Contractor' interchangeably. As a user, please be aware that the words are at times used by others 'loosely'. See a widely used definition below.

WHAT IS A FREELANCER vs A CONTRACTOR?

A Freelancer is an Independent Contractor. A Freelancer is usually a professional who is self-employed and who renders his services to a client or various clients for an assignment or project.

The Freelancer enters into a contract directly with the Client in an 'Order' for Freelancer Services and the contractual relationship is governed by the terms of that contract (Order) but may also be subject to prevailing, applicable Independent Contractor and also to Labour Laws if such arrangement falls within the scope of an employer / employee relationship, and about which Nomad Now makes no representations and gives no guidance. The nature of the working relationship between Freelancer and Client is determined by the actual circumstances that exist between them and any applicable laws.

Freelancers may work with multiple Clients on a per-project basis, but more generally they work with one company at a time (exclusively) for a longer and specified period (the 'contract') and are paid by the hour. They may be contracting themselves out, and thus

reporting their own taxes or they may be on the client's payroll, with the client deducting pay-as-you-go taxes where required.

Nomad Now is suitable for both Freelancers who trade in their own name as a sole proprietorship and those who trade as a small business as a partnership or corporate entity. The platform caters for Freelancers who have a small business that is two to three employees, whether trading as a sole proprietorship, partnership or corporate entity. This is achieved through our 'Freelancer Teams' functionality. Note that it is critical that Freelancers are seen by Clients as individuals and not as companies whose employees may come and go. A Freelancer's success is largely driven by his/her reputation and the Platform ensures that the Freelancer Service provided is inextricably linked to the Freelancer.

ARE FREELANCERS, EMPLOYEES?

The following should not be regarded in any way as legal or other advice. Users of Nomad Now must conduct own research and consult own advisers on all aspects of issues related to employer / employee relationships and related legal requirements. Nomad Now does not make any representations in this regard and takes no responsibility for any reliance on any other information provided in relation to employment and employment law.

Applicable local law (case law and legislation) will determine whether Freelancers and Independent Contractors are deemed to be employees of the Client or not, with the associated rights and obligations of employer and employee. Further, such relationships will determine whether the Client is obligated to deduct pay-as-you-earn taxes and other applicable levies from Freelancer revenues.

Where Freelancers earn more than the statutory benchmark minimum earnings (currently R 204 000 per annum in South Africa) the applicable law is more lenient in terms of not deeming Independent Contractors to be employees, but Freelancers can still be deemed employees if certain criteria are met.

By using Nomad Now, Freelancers are contracting directly with Clients in respect of their Freelancer services. Nomad Now is merely the facilitating platform that enables Clients to view Freelancer Profiles and transact for their Services.

Nomad Now also assists with the collection of Freelancer revenues from Clients.

IS NOMAD NOW A LABOUR BROKER?

No, Nomad Now is a web-based platform that facilitates direct contact between Clients and Freelancers in transactions for the purchase of Freelancer services. We do not employ Freelancers, nor do we create the expectation of employment. We further, do not create any expectations of employment between Clients and Freelancers. Our Freelancers and Clients accept this upfront by using Nomad Now.

Nomad Now does not in any way represent that Freelancers will be treated as or qualify as employees or will benefit from any employee rights or protections whatsoever now or in the future from freelancing through Nomad Now.

A NOTE ON TAXATION

Income tax, VAT and other levies may apply to Freelancers either as sole proprietors or through their corporate entities through which they contract. Freelancers may be entitled to apply at their own instance or at the request of or through the Client, to the tax authorities for tax directives and supply these to Clients.

Nomad Now does not express, imply or adopt any opinion on tax-related conditions that may apply to Freelancers or Clients or between Freelancers and Clients. Both Freelancers and Clients should seek their own advice on all tax-related issues and especially on the nature of the relationship between Freelancer and Client that pertains to their specific Freelancer / Client circumstances.

- ✓ We do not charge Freelancers any recruitment-related fees.
- ✓ Nomad Now provides assistance to Freelancers with collection services and charges Freelancers a 4% (plus VAT) fee for this assistance in revenue collection fee. Nomad Now deducts this fee from Freelancer revenues collected from Clients on behalf of Freelancers, before transferring revenues to Freelancers. Such fee also covers related services provided by Nomad Now, such as invoicing and Payments.
- ✓ Guarantees
 - Nomad Now does not provide any guarantee in respect of a Freelancer's Order with the Client and shall not be liable for any loss, damage or injury to person, business or property of the Client from whatsoever cause, arising directly or indirectly from any act or omission of a Freelancer introduced by Nomad Now.

➤ APPLICABLE TO PERMANENT PLACEMENTS:

- ✓ Fees
 - The placement fee payable by the Client to Nomad Now for the introduction to and permanent placement of the Freelancer at the Client shall be earned by Nomad Now upon the commencement of the Freelancer's permanent employment with the Client. The fee shall comprise 5% of the Permanent Placement Order Price (ie: total cost-to-company remuneration), plus VAT.
- ✓ Payment Terms
 - Payment terms applicable to Clients for such permanent placements are 30 days from date of invoice.
- ✓ Guarantees
 - Nomad Now does not provide any guarantee in respect of a Freelancer's placement with the Client and shall not be liable for any loss, damage or injury to person, business or property of the Client from whatsoever cause, arising directly or indirectly from any act or omission of a Freelancer introduced by Nomad Now.

INVOICING:

Once an Order is concluded between the Freelancer and Client, the Client will receive a Freelancer invoice from Nomad Now on behalf of the Freelancer, for the use of the Freelancer Services. Such invoice will include Nomad Now's Placement fee (plus VAT).

Payment terms applicable to Clients are a maximum of 30 days. If, for example, an Order is 2 weeks or 3 months in duration, the invoice will be due within 30 days from Commencement of Order.

On collection of the Freelancer Revenues from the Client by Nomad Now, an invoice is automatically generated by Nomad Now and issued to the Freelancer, for Nomad Now revenue Collection Services and related services performed by Nomad Now on behalf of the Freelancer.

Payment terms applicable to Freelancers on such invoices are 'payment on invoice'. Nomad Now automatically and immediately deducts its collection fees (plus VAT) on collection of Freelancer Revenues from Clients.

Note:

Nomad Now does not assume responsibility for Clients paying for Freelancer Services on time or at all. By making use of Nomad Now's collections assistance for Freelancers, we anticipate that Freelancers may be paid more reliably and, on average, faster than Freelancers invoicing and billing Clients directly but we make no guarantees in this regard and Freelancers and Clients acknowledge that they may not hold Nomad Now liable for any loss or damages of any nature related to collections and payments or non-payments.

PAYMENTS:

Freelancer revenues: Nomad Now collects Freelancer revenues from Clients on behalf of Freelancers and in the name of the Freelancer. Nomad Now will pay such revenues to Freelancers once received from the Client and by no later than the next applicable Wednesday, as long as a period of 72 hours has elapsed since receipt of Freelancer revenues from the Client. See details on timing of Payments from Clients and to Freelancers below.

Note that the above payment timing assumes that the Client and Freelancer are not in a dispute over delivery of the Services and that payments have not been suspended by Nomad Now. Note also that there can be timing exceptions due to SA banking system clearance periods. Nomad Now cannot be responsible for any delays in payments from Clients or to Freelancers.

SUMMARY OF PAYMENT TIMING BY CLIENTS / TO FREELANCERS:

CLIENTS PAY MONTHLY FOR FREELANCER SERVICES RENDERED. IN SOME CASES, PAYMENT FOLLOWS COMPLETION OF ORDER, BUT OFTEN ONGOING MONTHLY PAYMENTS WILL TAKE PLACE AS ORDERS ARE ONGOING.

NOMAD NOW ASSISTS IN COLLECTING FREELANCER REVENUES ON BEHALF OF FREELANCERS AS THEIR COLLECTION AGENT AND TRANSFERS PAYMENTS TO FREELANCERS WHEN PAID BY CLIENTS AND WHEN DUE TO FREELANCERS. SUCH TRANSFERS TAKE PLACE ON WEDNESDAYS.

- For security reasons, Nomad Now may temporarily disable a Freelancer's ability to receive revenue to prevent fraudulent or illicit activity. This may occur due to deemed security issues, improper behaviour reported by Clients, or associating multiple Nomad Now accounts to a single withdrawal provider.

Freelancers and Clients accept and agree in advance that they may not lodge any form of claim or redress against Nomad Now arising out of disputes or claims between users or claims against Nomad Now related to use of the Platform or our services.

FREELANCER RATINGS

Nomad Now provides a boost for small business. We seek to empower Freelancers with helpful tools to grow their own business. Freelancers who perform well, deliver on time and maintain high Ratings may be rewarded with special opportunities and benefits (not in beta version).

- Nomad Now Freelancers earn ratings based on the Client's inputs on their performance, Client reviews and number of orders.
- Changes in Ratings are automatically updated after completion of each Freelancer Order and Client rating of the Freelancer.
- The Ratings that a Freelancer can achieve are 1-5 Nomad Now Stars. 5 Nomad Now Stars reflects a top-rated Freelancer.
- Feedback Reviews provided by Clients when Verifying a Completed Order are an essential part of Nomad Now's rating system. Reviews demonstrate the Client's overall experience with the Freelancers and their Service
- Feedback is weighted to achieve an overall rating calculated as follows:
 - ✓ Overall Delivery & Client satisfaction (50% weighting)
 - ✓ Demonstration of required technical skills (20% weighting)

- ✓ Demonstration of required soft skills (20% weighting)
 - ✓ Accuracy of Freelancer's Nomad Now Skills Profile (10%)
- Freelancers who cannot maintain their high quality of Service, or who experience a severe drop in Ratings, or who stop delivering on time, risk a declining Freelancer rating and the advantages that come with it. For example, late or inadequate or sub-standard Delivery or warnings to Nomad Now about the Freelancer's performance; and cancellations due to poor performance can cause a Freelancer to drop to a lower Rating.
 - By signing up with and using Nomad Now, the Freelancer fully accepts Nomad Now's Rating methodology and agrees that he/she shall have no recourse of any nature against Nomad Now related to Freelancer's ratings.
 - Clients are encouraged to communicate to the Freelancer any concerns experienced during their active Order regarding the Service provided by the Freelancer through the mechanism of the Order Inbox.
 - Client feedback given through Nomad Now's Rating functionality that accompanies the Client Rating of the Freelancer is a prerogative of a Client and at the Client's discretion. Feedback reviews will not be removed unless there are clear violations of our Terms & Conditions. Nomad Now is not and cannot be responsible for Remarks made by Clients.
 - Note that Ratings and Reviews are made by the Client after the Freelancer has marked an Order as Complete.
 - To prevent any misuse of our Rating system, all such feedback must come from legitimate Orders executed exclusively through the Nomad Now platform from Nomad Now users within our Community. Orders that are 'arranged' and/or that Nomad Now decides (at their discretion) are artificial and designed to enhance Freelancer Ratings or to abuse the Nomad Now platform with Orders from additional accounts, will result in a permanent suspension of all related accounts.
 - Ratings made by Clients are publicly displayed on a Freelancer's Profile Page. Clients have the option not to include a (text box) Review of the Freelancer's Delivery, but to still rate the Service (i.e.: using the Star ratings).
 - Cancellation of an Order does not automatically remove feedback unless mutually agreed between Client and Freelancer. There is no option to provide feedback if an order is cancelled.
 - Withholding by the Freelancer of the delivery of Services, files, or information required to complete the Order with the intent to gain favorable reviews or additional Services is prohibited.
 - Users may leave reviews on Orders up to 30 days after an Order is marked as complete. No new reviews may be added to an Order after 30 days.
 - Freelancers may not solicit the removal of reviews from their Clients through mutual cancellations or contact.

TOP-RATED FREELANCERS

- Top Rated Freelancers are chosen automatically using Nomad Now algorithms and at Nomad Now's discretion, manually, by Nomad Now editors through an ongoing review process based on:
 - ✓ Price at which Orders are concluded (and repeated).
 - ✓ Volume of Orders.
 - ✓ Extremely high Ratings.
 - ✓ Exceptional customer feedback.
 - ✓ High Order completion rate.
 - ✓ Top rated Freelancers can gain access to:
 - Higher Nomad Now search result prominence; and
 - Ability to offer a wider range of Freelancer Services (not in beta version).
- Top Rated Freelancer eligibility is monitored and evaluated by Nomad Now to ensure quality standards and that Nomad Now expectations are maintained. Top Rated Freelancers who do not maintain their high-quality Service through a material drop in Ratings or Service Delivery which may be evidenced by (for example) not delivering on time, increased cancellation rate or violations of Nomad Now's Terms & Conditions, risk losing their Top rating and associated benefits.

ORDER CORRESPONDENCE BETWEEN CLIENT AND FREELANCER

- Once a Client places an Order Inquiry for Freelancer Services, the Client and Freelancer can correspond regarding their Order to address specific items through their **Order Correspondence Inbox**.
Note: Nomad Now is designed for Client-initiated contact only. We enable our Clients to accurately and selectively engage with Freelancers whom they perceive as offering the preferred Service that the Client requires.
- Freelancers may not use the Correspondence to materially alter their Services or as an opportunity to 'sell' diverse, unrelated or different Orders to the Client. Nomad Now aims to protect Clients from unsolicited and direct approaches and sales or marketing of any kind.
- Services provided through Changing Order Details or Amended Orders may also not violate Nomad Now's Terms & Conditions.

AMENDING ORDERS - 2 SCENARIOS

BEFORE ACCEPTANCE OF ORDER:

- Up until the Order has been Accepted, Clients do have the ability to modify the Order by clicking '**Change Order Details**' on the Order Details page.

AFTER ACCEPTANCE OF ORDER:

- Alternatively, if the Order has already been **Accepted**, the Client may **Amend an Order** (which behind-the-scenes amounts to creating a completely new Order and closing the original Order). How can this be achieved?
 - ✓ Under **Order Details**, the Client simply needs to click **Amend Order** and the **Freelancer Services page** will appear. The Client can place a new **Order** for Services with new Order Details.
 - ✓ Following the above **Amendment of an Order** (and consequent premature closing of existing Order), Nomad Now will generate notifications of Cancellation of the previous Order.

Services provided through Amending Existing Orders may not violate Nomad Now's Terms & Conditions and particularly may not be used to bypass the Nomad Now platform.

As revenue collection periods are so critical to Freelancers (particularly as individuals or small businesses), we assist in collections of their Revenues.
- You may not offer or encourage Freelancers to pay, or make payment using any method other than through the Nomad Now platform or to Nomad’s dedicated account for such Freelancer payments. In case you have been asked to use an alternative payment method, please report it immediately to Customer Services [here](#).
- To protect against fraud, unauthorized Orders (such as money laundering), claims or other liabilities, we do not collect credit information; but allow our payment vendors to collect information for collecting payments from Clients on the App for transferring payments to Freelancers on the App. We are not exposed to the payment information provided to our payment vendors and this information is subject to the privacy policy applicable to the payment vendor. Please see our **Privacy Policy** in our **FAQ**.
- Once an Order is confirmed (i.e.: Freelancer accepts the Client Order Inquiry), the Order will be created and given a unique **Nomad Now Order Reference number (NUM)**.
- Freelancers signify completion of Services using the **Complete Order Request button** (located on the Open Order Page).
- Use of the **Complete Request button** may not be abused by Freelancers to circumvent Order guidelines described in this Terms & Conditions.

- Using the **Complete Order Request button** when an Order was not fulfilled may result in a cancellation of that Order and a subsequent Review that will negatively affect the Freelancer's rating and may also result in a warning to Freelancer and possible removal from the Nomad Now platform.
- An Order is complete after the Freelancer ticks **Complete Request** AND the Client ticks **Order Completed**.
- An Order will be automatically marked as Complete even if the Freelancer is not rated (on the Freelancer Services provided) by the Client (provided that no request for modification by the Client was submitted) within 72 hours after marked as Complete by the Freelancer by sending a Complete Order Request to the Client.
- We encourage our Clients and Freelancers to try and settle issues or possible disputes amongst themselves.
- Nomad Now provides tips in FAQ's on possible issues of disagreement that may arise between Freelancer and Client. In respect of issues or disputes both Freelancer and Client have agreed to be bound by the Nomad Now Terms & Conditions which are freely available and evident under **Conflict and Resolution Tips** in our FAQ.
- Nomad Now does not provide a dispute resolution service or give advice on disputes or their resolution and may not be held accountable or responsible for any disagreement, loss or damage to either the Freelancer or Client in making use of Nomad Now and/or through or related to transactions between Freelancers and Clients. Freelancers and Clients accept and agree in advance that they may not lodge any form of claim or redress against Nomad Now.

If you encounter illegal or non-authorized usage of the Nomad Now platform, users can contact Nomad Now **Customer Services** [here](#).

ACCEPTANCE OF ORDERS & DELIVERY OF SERVICES

- When a Client places an Order for a Freelancer's Professional Services, the Freelancer is notified by email as well as notifications on the platform through Inbox located under the menu on the left hand side of the screen, while logged into his/her account.
- In response to an **Order Inquiry**, Freelancers may be asked by the Client to provide information on the Client's specific Service requests via **Order Correspondence**.
- Most information relevant to Client requests should already be visible to Clients in the Freelancer's Profile when the Freelancer completes the information required to complete his/her Profile.
- After completion of Delivery of Freelancer Services, Freelancers must indicate completion of Services using the **Order Complete Request button** (located on the [Freelancer Order Page](#)).
- In some Orders that comprise or require the 'delivery' of documents, spreadsheets, media or other files, these will be attached and sent to the Client using the Upload function in the **Order Correspondence**. After such upload, the Freelancer will then click 'Complete the order' for the Client to approve.

PAYMENT METHODS BY CLIENTS

There are several ways Clients can pay for Services on Nomad Now. Choose the option which best suits you. The following are payment methods that may be used on Nomad Now:

Nomad Now Client online payment methods:

- Pay via manual EFT (local and international).
- Pay via electronic EFT through the trusted Sage Pay payment gateway integrated into our Nomad Now platform.
- PayPal (not in beta version)

Using Sage Pay:

You can connect your Sage Pay account as a saved payment method, to make payment faster, without having to fill-in your credentials every time.

CANCELLATION OF ORDERS

We have set out below, the Nomad Now **standard cancellation terms**. Note that Clients and Freelancers are free to agree on different cancellation terms as long as they record such terms via Inbox Correspondence or upload such terms in a document / contract on the Client “Contracts” page.

A - CANCELLATION PRIOR TO COMMENCEMENT OF ORDER:

Either Freelancer or Client may cancel an Order for any reason if:

- ✓ Within 48 hours of **Acceptance of Order** (by Client and Freelancer) in the case of an Order up to 30 days in duration; or
- ✓ Within 7 days of **Acceptance of Order** (by Client and Freelancer) in the case of Orders over 30 days in duration.

B - CANCELLATION AFTER COMMENCEMENT OF ORDER

Either Freelancer or Client may cancel an Order for any reason if:

- ✓ **Within 48 hours of Commencement of an Order** (by Client and Freelancer) in the case of an Order up to 30 days in duration; or
- ✓ **Within 7 days of Commencement of an Order** (by Client or Freelancer) in the case of an Orders over 30 days in duration.

In the above instances Clients will still incur the Nomad Now placement fee, despite the cancellation of the Order by the Client. In the event that the Freelancer cancelled the Order, the Client will not incur the Nomad Now placement fee. Such cancellations will have a negative effect on the cancelling party’s rating.

C - WHAT HAPPENS WHEN AN ORDER IS CANCELLED?

If an Order is cancelled (for any reason), any revenues collected by Nomad Now from the Client flowing from that Order, but not yet paid to the Freelancer due to the Cancellation, will be credited to the Client’s account and held over for future Orders or, on request by the Client be refunded by Nomad Now to the Client:

- ✓ Less any applicable Nomad Now placement fee; and
- ✓ Less the applicable Freelancer Notice pay payable in lieu of Notice at the option of the Client (i.e.: either 48 hours or 7 days depending on whether the Order was for a period of up to 30 days or longer than 30 days).

Should an Order be cancelled for any reason, neither party will have any further rights and/or obligations with regards thereto, except for those rights and/or obligations that survive its termination, such as an Obligation to pay the Freelancer for services rendered or goods delivered.

Clients will still incur the Nomad Now placement fee, despite cancellation of an Order by the Client. If the Freelancer cancelled the Order, the Client will not incur the Nomad Now placement fee.

Note that Cancellations will have a negative effect on the Freelancer or Client’s respective rating if they were the cancelling party.

D - MUTUAL CANCELLATION:

- ✓ Nomad Now also enables Clients and Freelancers to Mutually Cancel an Order at any time after commencement of the Order.
- ✓ The above Mutual Cancellation option requires Clients and Freelancers to act in good faith. The mechanism may not be used as a method of bypassing the Nomad Now Platform and if users misuse it to achieve this end, Nomad Now may disqualify such users from using the Platform as well as seeking to

recover lost income from both parties and users agree that this may be on a joint and several liability basis.

- ✓ We like to regard Mutual Cancellation as a crucial and open-minded freedom between Freelancer and Client but note that prevailing Labour Legislation may override any contractual rights agreed to between the Freelancer and Client and such risk is borne purely by the contracting parties to the Order, which are Client and Freelancer.
- ✓ Both parties (Freelancers and Clients) use the platform knowing and accepting in advance that they may benefit from and rely on such flexibility that such terms would provide and that this mutual understanding will boost Freelancer transacting between providers and takers of Professional Services.
- ✓ We encourage a way of working together where buyers and sellers of services exercise a degree of 'meeting halfway' via mutual consent in terms of allowing the other party to withdraw from an Order.
- ✓ Clients may use the Order Correspondence Inbox feature during the Service Delivery period, to communicate issues to the Freelancer, if the Freelancer Service Delivery does not match the Freelancers' description of their Services on the Freelancer Profile or if the Freelancer Service provided does not match the requirements sent by the Client to the Freelancer as described in the Order.
- ✓ Clients reversing or attempting to reverse a payment through their payment provider or bank are in violation of these Terms & Conditions. Doing so may result in the Client account being temporarily disabled to investigate possible security violations.
Note: once the Client has filed a dispute with its payment provider, the funds will be ineligible for a refund due to our obligations towards the Freelancer.
- ✓ Nomad Now reserves the right to cancel Orders or place funds on hold for any suspected fraudulent Orders made on the platform.
- ✓ If an Order is cancelled (for any reason), the funds paid to Nomad Now on behalf of a Freelancer for Freelancer Services not yet delivered, will be refunded to the Client on request by the Client or failing that, held over and +applied to the Client's next Order if sufficient to pay for the entire Order.

AUTOMATIC ORDER CANCELLATIONS

Automatic order cancellations may be applied by Nomad Now in these (but not limited to these) circumstances:

- **Active Orders** (after Order Acceptance but before the Freelancer completes delivery of the Service):
 - ✓ The Freelancer is a Late Start and unresponsive for more than 48 hours after the Order is marked as Late (not in beta version). In these instances (until our next version is released) the Client should contact us at help@nomadnow.co alerting us to this issue or use the online Chat visible on-screen.
 - ✓ Users are abusive towards the other party through threats of low Ratings or other leverage against each other.
 - ✓ Freelancers supplied or included copyright/trademark infringing materials as part of their Delivery of the Client requirements.
 - ✓ The user is no longer an active Nomad Now user due to Terms & Conditions violations or closure of their account.
- **Completed Orders** (after the Freelancer clicks **Complete Order Request** and before the Order is marked by the Client as **Verified Order as Completed**):
 - ✓ The Freelancer attempts to extend the Delivery due date to complete the requested Service without providing the final delivered Service to Clients.
Note: Multiple reported offences will result in permanent suspension of your account.
 - ✓ The Freelancer requests additional payments, on or off the Nomad Now platform, by withholding the final Delivery of Services directly related to the agreed requirements.
 - ✓ The Freelancer is withholding final Delivery of Services for improved Freelancer Ratings.

- ✓ Clients who abuse the Request Revisions function to gain more Services from Freelancers beyond the agreed requirements.
- ✓ Clients who threaten to leave a damaging review to gain more Services from the Freelancer not related to the agreed requirements.
- **Verified as Completed Orders** (after the Freelancer clicks **Complete Order Request** and Client has **Verified Order as Completed** and before the 72-hour limitation):
 - ✓ Users who have been reported to use copyright/trademark infringing materials after verification and with proof.
 - ✓ Note: Terms of Commercial use are found on the [Freelancer's Profile Page](#) and cannot be retroactively included once the Order is completed. (not yet in beta version)
 - ✓ Nomad Now Customer Services will review cases of Order Delivery manipulation that prevent Clients and Freelancers from fully utilizing our Customer Services that enabled the Order to be marked as complete.

REFUNDS

- Nomad Now does not automatically refund Client payments made for cancelled Orders. Funds from Order cancellations are held by Nomad Now as a credit for the Client and are available for future Orders on Nomad Now.
- If an Order is cancelled (for any reason), any Client funds not yet paid to the Freelancer will, on request by the Client be refunded to the Client (less Nomad Now's placement fee) in the form of an account credit to be used in future Orders. The Client's total balance can be found next to their username on the top menu in the right corner or the [Client Dashboard page](#).
- Additionally, when an Order is cancelled, Clients may in some cases, no longer retain the rights to use any of the Services or the items delivered to them (if applicable). All transfer and assignment of intellectual property to the Client shall be subject to full payment for the Order and the Services delivered by the Freelancer may not be used if payment is cancelled for any reason.
- To prevent fraud and abuse, we limit the total amount of times users can request a payment provider refund from their account. This is subject to review by our Customer Services team. Such refunds may be subject to an additional fee. If any processing fees were added at the time of purchase to create a new Order, the processing fee portion of that payment will not be refunded.
